<p>The tuition time hub is essential for the community for the young ones that easily influenced and led a stray. The team do an amazing job by teaching kids good values and a support connection so that the children have someone to turn to other than their parents/ carers. I have found a sense of belonging especially for my children and also they are so inquisitive about learning that I would be disappointed if they were unable to provide this facility. As a community the hub is there to offer support to everyone and the range of classes they have go beyond just day to day learning.... They would definitely be an asset that is lost to us all if they were unable to support the wider community.</p>
