<p>We do not object to horses being in the field, when we first moved here ,this field already had a horse in it .we are not happy with the position of the stables, as a previous comment stated , they will interrupt peoples views, and possibly affect property value..</p> <p>the owners have put a lot of work in to this land has stated before, they do look after, hollin hall lane. with the addition of the poo bin, which was in desperate need of,also the lane no longer floods because of the work done by the owners....</p>
