Bryan G Hall Ltd. Registered in England & Wales Co No. 4104802

This drawing is copyright and shall not be reproduced nor used for any other purpose without the written permission of the Bryan G Hall Ltd. This drawing must be read in conjunction with all other related drawings and documentation.

It is the contractor's responsibility to ensure full compliance with the Building Regulations. Do not scale from this drawing; use figured dimensions only. It is the contractor's responsibility to check and verify all dimensions on site. Any discrepancies to be reported immediately. **IF IN DOUBT ASK.**

Materials not in conformity with relevant British or European Standards/Codes of practice or materials known to be deleterious to health & safety must not be used or specified on this project.

Bryan G Hall Limited has not checked or verified, and shall therefore not be liable for any inaccuracies which may be attributable to any base plan(s) reports, data or information provided by the client, or purchased by the consultant on the client's behalf, that may have been utilised within this drawing.

Bryan G Hall Limited shall not be liable for the use of this or any associated document, for any purpose, by any person other than that for which they were provided.

It remains the client's and/or its appointed contractor's responsibility to check for any discrepancies. Any anomalies discovered must be reported immediately to Bryan G Hall Limited for verification.

The locations of utilities apparatus, if shown, have been reproduced from plans supplied to Bryan G Hall Limited. Although care has been taken when duplicating this information, these locations are approximate only. No guarantee can be given by Bryan G Hall Limited for their accuracy. It is the client's or its appointed agent/contractor's responsibility to verify the exact locations on site by appropriate means prior to mechanical excavation.

- KERBING NOTES:**
- All kerbing and edging to be carried out in accordance with Appendix 11/1, Specification for Highway Works and Kirklees Council standard details and to be in accordance with BS EN 1340:2003 unless otherwise instructed by the local inspecting officer.
 - The contractor is to provide a pedestrian route through the works shall be maintained at all times and clearly defined by suitable barriers and lights where necessary.
 - Concrete bed and backing to Grade ST1 concrete clause 2606.
 - Although the underside of foundations are shown horizontal on the detail, allowance must be made for cross falls of formations and pavement courses.
 - The depth of foundations, beds channels etc. shall be 150mm, unless otherwise shown.
