Dear Sir

**TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) (ENGLAND)
ORDER 2015 – SCHEDULE 2, PART 1, CLASS A.1 (g)
AT: 5, Stone Acre Heights, Meltham, Holmfirth, HD9 4EF
Prior notification for single storey rear extension**

I refer to your submission of details relative to the proposed extension as described below for the above property and as submitted on 05-Dec-2024.

The proposal is for erection of single storey rear extension. The extension projects 6m beyond the rear wall of the original dwellinghouse. The maximum height of the extension is 3.5m, the height of the eaves of the extension is 3m

The Authority has considered your application and it has been determined that the proposal is not acceptable and prior approval is hereby **Refused** for the following reason(s);

The proposed enlargement does not benefit from a general planning permission under Article 3(1) and Class A, Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) as the rear projection extends beyond a wall forming a side wall of the original dwellinghouse and has a width greater than half the width of the original dwellinghouse contrary to sub-paragraph A.1(j) of Class A.

This decision is based on the following details(s):-
