| <p>I am deeply concerned with the plans as the property entrance uses a public right of way and this will create additional traffic to the access. The property is on a very busy road and additional vehicles entering and exiting the property will create extra burden on traffic and pedestrians using Birkby Road. The proposed use of the property is not in keeping with the local family residential area and creating a business from the premises raises concerns over increase noise and public safety, the recent Government ONS report states that 52% of children from care homes had criminal convictions by the age of 24 compared to 13% by non care home children, this is not welcomed in the community the property sits. This is directly opposite to the submission stating there is no evidence of increase criminal activity.</p> | |
