Subject: Planning application for extension to 95 Tunnacliffe Road Newsome - ref 2024/93457

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I have submitted my objection to the above application earlier this year, and am still of the same opinion.

That is what the extension of the property and the change of use into HMO housing is totally out of character for this area.

There is not enough street space for parking, and on several occasions the entrance to my drive has been blocked recently.

The crime rate has already gone up due to the nature of the occupants of the people in the dwelling already, and the police have frequently visited the property.

This area is a respectable housing area and it is preferable to keep it as such!

Please do not disclose my name and address to the persons planning to extend the property, as I do not want any retribution from them

Thank you
