<p>I object on the following grounds:</p> <p>Noise during construction/ extraction of coal</p> <p>Potential disturbance of ground could see local flooding to nearby homes and roads and landslide.</p> <p>Insufficient infrastructure in local area to support circa 200+ new residents. Schools are full. 3 week wait for doctor appointments etc, very little employment available.</p> <p>Application should be considered in conjunction with other applications of late e.g Bromley farm which will see 120 trucks a day on the same roads.</p> <p>Road infrastructure not sufficiently wide/safe for additional traffic without additional traffic control which kirklees highways would be responsible for.</p> <p>Kirklees footpath officer needs consulting as I believe several paths run across this area.</p> <p>church records need checking as many fields next to churches (2 churches in the immediate vicinity) were for community use and had covenants.</p> <p>Councillors need to do a site visit.</p>
