Do you wish your comments to be published on the website anonymously?	Yes
<p>I object to this application on the grounds of:</p> <p>1)highway safety and traffic. This is relevant for both the building phase, when I understand open cast coal mining will be involved with excess heavy vehicles will be required up and down Cumberworth Lane, and then secondly once the residences are occupied, there will be likely over additional 100 cars trying to access Cumberworth lane . This will cause trouble in accessing Denby Dale</p> <p>Further if going the other way, getting across Cumberworth Lane in Lower Cumberworth for pedestrians is hazardous due to the speed and volume of traffic already, so more vehicles will make this even worse and we may need traffic calming measures.</p> <p>2) the existing infrastructure of Denby Dale and surrounding villages ( schools, doctors, refuse collection) is already stretched .</p> <p>3) the previous application for fewer houses was rejected and I believe those grounds for rejection still apply.</p>
