<p>The application means open cast mining. Large wagons passing through the village. Dust, noise and disruption to a rural area. Having lived next to a quarry for several years I'm aware of the health hazards from the noise and dust. The area in question does not need more houses.</p> <p>Our local councillors should be supporting the objection. This is not the right site for more housing. It is not directly near to me but will affect everyone in the area. Please do not accept the new appeal.</p>
