<p>I wish to object to this application on a site that is totally unsuitable for development. The mining and preparation for this site will cause major disruption to the area, an area that does not need more houses and developments of this size. The local infrastructure is already overwhelmed and traffic and parking at a premium. Although I live outside the village I still live locally and use Denby Dale regularly. I see Denby Dale changing from a lovely rural village into a much more urbanised area.</p>
