Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
I strongly object the the granting of this application, as it will have short and long term devastating affect on the local environment and neighbouring properties and will materially affect the character and safety of the area. The remedial works will have significant impact on noise, disturbance and odour and impact on highway safety and traffic. The result of the previous planning applications and objections should be taken into account given the concerns of the community.
