<p>I am concerned that the ground is being disturbed and 'mined'. I am concerned about the removal of all this through the local villages. It sounds like the mining is being disguised as a housing development. I am unhappy about yet more houses bringing more people and traffic to this historic village. Its character has already been decimated as a result of greedy developers and nodding planners.</p> <p>This application has been rejected previously and I think this determination to blot the rural landscape has to be stopped. Leave the land undisturbed and leave this village as a proud example of semi-rural (previously rural) West Yorkshire.</p>
