<p>This development will be chipping away at our precious greenbelt and wildlife which makes HD8 what it is, semi rural. The town of Denby Dale is an accident waiting to happen with the number of cars parking on a very busy road side because there is insufficient car parking space in the town and these additional houses with probably 2 cars to each house will put even more pressure on the town itself. The Council should look at preserving the HD8 area and its greenbelt and history in an already built up Kirklees Borough before it's all gone.</p>
