<p>I would like to object to the planning application at cliff hill, denby dale. I strongly support the objections from fellow neighbours and residents.</p> <ol style="list-style-type: none">1. The environmental damage and the damage to wildlife.2. Flooding. When springhead gardens was completed we had a heavy downpour resulting in the library car park flooding and flooding on wakefield road and that was only 6 houses so building a further 62 surely would have a larger impact.3. Health. We all know the effects mining has on health so any excavation of coal is surely a no no so close to residential properties.4. This application has been rejected twice.
