

Location Plan

Rev - : yyyy-mm-dd : Initial : Revision Notes

NOTE: Do not scale drawing. Work to figured dimensions. This drawing has been prepared for planning purposes only and is to be used in conjunction with all other relevant conditions, drawings, details and specifications. All works are to be carried out in accordance with the latest edition of the Building Regulations and any amendments, together with all relevant British Standards and codes of practice. All dimensions unless noted otherwise are in millimetres. All dimensions and levels are to be checked by the contractor on site prior to order, installation or commencement of work on site. Contractor to check and satisfy himself of the positions of all existing statutory authority lines, services, manholes and property lines are to be fixed (checked) and marked in accordance with the respective manufacturer's recommendations. At all stages of work, the contractor shall be responsible for and must ensure the overall stability of all buildings, structures and excavations etc. If indicated, during the construction works all existing drainage is to be adequately protected and normal flows maintained.
