<p>We object to this planning application no 2024/62/93479w One of our concern is the increase of moving and parked Traffic on Hoylake Ave.In we applied to Kirklees Council to extend our property The Chief Planning Officer contacted us with concerns about the impact the Development would have on additional parked or moving traffic.The planning officer agreed they would recommend that the plans should be approved on condition it was used by family and no other use. We feel these conditions that were applied to our planning approval and Kirklees Council concerns about additional Traffic have set a precedent for any other Developments Let alone a Children's Home which could increase the daily movement of Traffic Tenfold and this would make make the noise and pollution worse for the residents of Hoylake Avenue.</p>
