<p>I am writing to object the passing of this planning application.</p> <p>This property is in the middle of a quiet well established family residential area, where now there is a majority of older people, is this a suitable environment for this and will it affect the character of the area? A residential Children's home is not in keeping with this area and will impact on highway safety and traffic due to limited parking outside of the property.</p> <p>A family home should not be lost to this application and will impact on the neighbourhood amenity.</p> <p>This home is currently for sale.</p> <p>Carers 24 hour accommodation and areas not defined and how many children will be accommodated.</p>
