FAO Edward Cheseldine

Dear Sir

I write with reference with the above planning application for 11 Hoylake Avenue.

I would want to object to the above planning application for a number of reasons which I list below.

1. The area is inappropriate for this usage with an aged population and no facilities for children of any age.
2. There is very limited facilities for children that could mean issues with residents of the location.
3. There is only 1 bus per hour into town, with very difficult access to schools and other activities.
4. The property is on an uphill bend and would be very difficult for the parking spaces that are part of the application.
5. This would be a 24 hour facility for these young people with very limited staff under the application.

Please ensure that we are kept up to date with this application as we are deeply concerned with this prospective issues that we are seen at this property.

With Kind regards

4 Formby Avenue, Fixby.
