Subject: 11 Hoylake Ave . App. No. 24/62/93479/W.

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

We email you to see if you have any information about 11 Hoylake Ave. and it's purposed application to become a Children's Home.

It's alleged that a planning committee meeting is to take place due to the number of objections and the public can attend.

We would like to take this opportunity to state the main reasons of our objections. Not to place a Children's Home in a purpose built residential area.

When we extended our property at Hoylake Ave. the planning officer phoned us of their concerns about any additional moving and parked vehicles and conditions of use would be placed on our extension on approval.

Having previously lived in an area with a Children's Home and children using the service allegedly from another Council and some issues that caused. Say in twelve months time what would stop the owner at no.11 from applying to extend the property and children using the service with other needs.

We not able to obtain any information on the Council website and would be grateful if you could please return to us any information on the above.

Yours Sincerely
