Subject: Objection to Planning Application [Application Number 2024/93492]

Dear Sir/Madam,

I am writing to formally object to the proposed planning application for a sun terrace and loft conversion at [86 Huddersfield Road Skelmanthorpe HD89AS]. As a close neighbour, I believe the approval of this project would have a significant and detrimental impact on my privacy and ability to use my property.

The proposed sun terrace is situated in such close proximity to my own terrace that it would directly overlook my outdoor space, completely invading my privacy. The elevation and placement of the terrace would give the occupants an unrestricted view of my terrace, making it impossible for me to enjoy this area of my property as I currently do.

Additionally, the loft conversion door opening will create an overhead view that directly looks down onto my terrace. This would further compromise my privacy, leaving my outdoor space exposed and effectively unusable. These changes will significantly alter the character and enjoyment of my home and outdoor living area.

I believe this development is contrary to principles of good planning and neighbourly respect. The proposed plans infringe upon my right to privacy, and I respectfully urge the council to refuse this application.

Thank you for considering my objection.

Yours faithfully,
