Subject: Transport assessment Castle Hill 2024/93494

Dear Officer,

Further to my submission on the planning application for Castle Hill 2024/93494, I would like to add to my submission the following:

That in the event that due to economic reasons the Council cannot appoint an independent consultant to prepare a full transport assessment on its behalf, that the Council undertakes a comprehensive and robust transport assessment of the plans for the hill site itself and the surrounding roads to then provide the upto date TRICs data that is required to enable a better understanding of the impacts of these plans.

Thank you,
Alison
