Prior notification for proposed formation of private way for agricultural use

Date Responded: 09/01/2024.

Responding Officer: D. Stainsby

Responding Ref: K10-5SW/2

This application is for the Prior notification for proposed formation of private way for agricultural use.

RECOMMENDATION.

The proposals are considered acceptable to Highways Development Management.

The application is for creation of an agricultural way to enable dairy cows to cross the field from the milking parlour to grazing areas on the other side of wood lane.

Vehicle access to the site from Wood Lane will remain as existing and is unaffected by the proposals.

The proposals are unlikely to significantly intensify the use of this road.

These proposals are therefore considered acceptable to Highways Development Management
