<p>Southwood Avenue has a blind bend for any traffic come down Hall Ing Lane. Whilst living at our property there have been numerous instances of cars/vans/wagons coming around the bend totally unaware there is a 2 way traffic running on the avenue. I myself have had near misses with delivery vans coming around this bend when leaving the avenue to join the main road. Also despite packing near the bottom of my drive lost a wing mirror on one vehicle when a unknown vehicle took this off. Some residents do not have garages like myself so have to park on the roadside. Based on the above there is no way it would be classed as safe under the Government Highways Act.</p>
