What is the application for?:	Erection of 57 dwellings with access from new through road connecting Main Avenue
Address of the site or building:	Land at, Main Avenue, Cowlersley, Huddersfield, HD4 5US
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I would like to strongly object to the application to build a further 57 houses in Cowlersley. The field and woods are used by lots of wild life including deer, foxes, rabbits, birds of prey and bats which will all struggle to survive if this development goes ahead. There are some old Oak trees on the site as well as crab apple and damson fruit trees at the bottom of the site which will be destroyed by the planned work. Hikers and dog walkers that use the paths around the site and surrounding woodland everyday wouldn't be able to if the plans block well used paths / stiles over walls etc. Drainage down the hill already causes problems for the existing houses around the site and building on already wet land can only make that worse.</p> <p>Traffic on Cowlersley Lane is already bad enough due to parked cars narrowing the road to a single lane in most places and the proposed road junctions leading on to Cowlersley Lane are all difficult to get out of.</p>
