

Consultation Response from KC, Trees
2024/93605 Land at, Main Avenue, Cowlersley, Huddersfield, HD4 5US
Erection of 57 dwellings with access from new through road connecting Main Avenue and Windsor Road, and associated works, including engineering and landscaping
Date Responded: 17/02/2025 Responding Officer: JD Responding Ref:

After reviewing the revised landscape master plan (Rev F), there has been a substantial increase in mitigation planting and the species proposed for planting are closer aligned to those that currently exist within the site.

I am now confident that these proposals sufficiently mitigate the loss of existing site trees and there is no longer an objection to the development from a trees perspective.
