Subject: 5 Day notice

Hi,

We will be removing this Lime tree on Monday 23rd, which sits in conservation area 04/88/a1, just at the front of 9 Crowlees Gardens, Mirfield.

There is a significant crack at the base of the tree and seems to be uprooting in the winds. The photos show the angle the tree now leans at, compared to being upright the day before.

Kind regards,

Rob Sowden
