

**NOTES:**

This drawing has been based on a FBA Survey carried out at Marsh Croft. There are areas where access was restricted and further investigation will be required. Assumed locations of structure indicated based on the Structural Engineers review and should be verified on site.

Elements of structure are shown for coordination purposes. Approximate drainage positions shown for coordination purposes with further investigation required. Red line Boundary shown indicatively and to be checked prior to construction.

All figured dimensions are to be taken in preference to scaled dimensions and all dimensions to be checked on site prior to construction or assembly, any discrepancies are to be reported immediately to Farrar Bamforth Architecture.
