I cannot see how this could even be considered. This is a small estate where parking is always a problem. It is a lovely residential area to live and bring up our children Its always been a safe area for the children to play I would not feel it would be safe to let the children play out.if it was turned into a residential home for children.or any other form of residential care it is not what ithe house was built for . We all have worked hard to live in a nice area please do not allow it to become another area of Batley that will end up run down
