<p>The position of the property is on a bend. There is always parked cars on the corner from neighbouring houses and feel even though in the attached they say cars will be on the driveway this will bring more traffic to the street.</p> <p>The street also at school times has parents parking there for the school pick up and drop off.</p> <p>I also feel that depending on the children been cared for it could bring parents or family of the kids to the area that are in trouble with the police or drug users.</p> <p>The staff working at the house will not treat it as their own home &amp; the owner has bought the property it as a business with no care for residents.</p> <p>My sister lives opposite this property and I walk past it every day walking my dog. Im just glad it is not opposite my house as it will definitely effect the price of housing that people work hard for.</p>
