<p>This is not the correct area for this establishment. It needs to remain as a detached house for a family ONLY !! There are Family homes all around and that is how it should remain.</p> <p>This is a family home area and should not be altered to include a care home facility for older children with care home safeguarding and safety issues.</p> <p>It will have a negative impact on the houses around the area and more importantly increase surrounding homes with safety and safeguarding concerns and worry house owners and their families.</p> <p>Parking & cars already on Harefield Drive are a massive issue as we already accommodate a laundrette and a shop -</p> <p>The application states there was plenty of parking for 2 or more cars which there quite simply is not.</p> <p>The setting up of this establishment is likely to have a negative impact on property values impacting on local residents. I get no sense that this proposal is written to benefit the children but rather is the setting up of a business in a residential area.</p>
