<p>As a former resident of the area who still visits I strongly object to the proposal to change this residential property in to a children's home the detrimental effect it will have on the neighbouring community both by the fact that we do not know who or where the children will be from plus the increased traffic that will no doubt be. this is a quiet residential area and the impact that a children's home would have on the area would be devastating I feel the impact this will have on the local area far outweighs the benefits that changing it for 2 children will have there is plenty of places around the area that would be brilliant for a children's home such as the boarded up council property at nunroyd heckmondwike please I beg you do not grant planning permission</p>
