### User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
These units should both be retained for retail use. The change of use proposed adds nothing to the day or nighttime economy of the town. Too many former retail units in the town centre have already changed to business use and the number of estate agents is already adequately provided for. If granted this application will add to the continual reduction of the towns retail attraction.
