Please state the condition number(s) to which this application relates

Condition number(s)

Condition 12 Only

Has the development already started?

Yes

No

Part Discharge of Conditions

Are you seeking to discharge only part of a condition?

Yes

No

Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Condition 12:

No development shall commence until a Biodiversity Enhancement and Management Plan (BEMP) is submitted to and approved by the Local Planning Authority. The plan shall demonstrate how a minimum 15.46% net gain in habitat units and a 1,273.33% net gain in hedgerow units are to be achieved post[1]development and will include details of the following:

- a. Description and evaluation of features to be managed and enhanced;
- b. Extent and location/area of proposed enhancement works on appropriate scale maps and plans;
- c. Ecological trends and constraints on site that might influence management;
- d. Aims and Objectives of management;
- e. Appropriate management Actions for achieving Aims and Objectives;
- f. An annual work programme (to cover an initial 5 year period capable of being rolled forward over a period of 30 years);
- g. Details of the management body or organisation responsible for implementation of the BEMP;
- h. Ongoing monitoring programme and remedial measures; and
- i. The BEMP will be reviewed and updated every 5 years and implemented for a minimum of 30 years.

The BEMP shall include details of the legal and funding mechanisms by which the long-term implementation of the BEMP will be secured by the developer with the management body responsible for its delivery. The BEMP shall also set out (where the results from the monitoring show that the Aims and Objectives of the BEMP are not being met) how contingencies and/or remedial action will be identified, agreed and implemented so that the development still delivers the fully functioning biodiversity objectives of the originally approved BEMP. The approved BEMP will be implemented in accordance with the approved details.

Reason: In order to ensure the development provides ecological enhancement and creation measures sufficient to provide a biodiversity net gain in accordance with Policy LP30 of the Kirklees Local Plan and the National Planning Policy Framework.

This pre-commencement condition is necessary to ensure details relating to the required biodiversity net gain are devised and agreed at an appropriate stage of the development process.

Five documents in total are being submitted for the discharge of this condition:

- Appendix A Kirklees_LP - Area C.pdf
- Appendix A Kirklees_LP - Area D.pdf
- Appendix A Kirklees_LP.xlsx
- Appendix A Kirklees_LP-Area B.pdf
- WIE20953-101-R-1-2-2-BEMP Kirklees-redact.pdf

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person

If Other has been selected, please provide contact details:

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

Yes

No

Declaration

I/We hereby apply for Approval of details reserved by a condition (discharge) as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration

Signed

Komal Akhtar
