

To give clarity and transparency about the number of care staff and how much time they will be spending each day at the home at any given time, please find a break down below...

Registered Manager

The Registered Manager will be working remotely. He will only be attending the home if his intervention is required or for auditing purposes.

Senior Team Leader

The Senior Team Leader will be present from Monday to Friday from 9.00am to 5.00pm. **Not the weekends.**

Residential Care Workers

Two residential care workers will be present on a rota basis. 48 hours on and the remaining of the week off. **After 5.00pm there will only be two Residential Care Workers present** at the home until 9.00am. At which point they will be joined by the Deputy Manager during the week at 9.00am (and the Registered Manager, if he is scheduled to be attending on that particular day).

Weekend Schedule

Throughout the weekends there will **only be two** Residential Care Workers present with the young person at the home.
