<p>Please do not grant this planning application. We have had a young offenders house in the past on Victoria road. This cause more drug dealing. Cars and young men coming in and out of the property in the early hours of the night. All of the family's with young kids will not be happy with this. Please locate this to another area of Huddersfield where the people who will be place in the house will get some help. Certain times of the day the drug dealers are driving up and down Victoria road looking for the clients. I as a resident do not need another house being used for dug dealing and more anti social . We as resident are trying very hard to clean up this Road.</p>
