<p>This is not the right location for a children's care home which is already an extremely busy road with a mosque, school and very limited parking.</p> <p>There is also a big risk the dwelling is used for something other than what the owner is proposing - given the issues surrounding tenants who have lived at 116 Victoria road in previous years causing a lot of noise disturbance and safety issues for the neighbouring properties - I have experienced these first hand and please ask you to reconsider approving the proposal.</p>
