I strongly believe that this business is an asset to the local community. I understand that high quality affordable childcare is hard to come across and settings as good as this one should not be closed down. Since the extended hours have been introduced there has been a shortage of childcare places within the HD9 area. Staff are leaving the sector and nurseries are closing down in their masses due to running costs. Therefore I truly believe it would be detrimental to parents careers and children's wellbeing to close this setting.
