I am happy for my granddaughter to attend this setting, I have never had any concerns and Ofsted can confirm that this is a suitable setting for my grandaughter to attend. As a retired Headteacher I feel confident that they will meet her needs and show her the correct way to meet challenges that occur in life. She is happy in this setting and that for a working parent is like gold dust, as there are NOT enough quality childcare places in Meltham for under 5s...closing this setting would be a travesty.
