I am supporting this planning permission. Stick and Stones are in a great location, easy for me to get to and also for my mother if I am unable to get my daughter in time. It's across form the school we would like her to go to and the children she is with will be attending there so setting in will be better for her. If Stick and Stones closes this will be a negative impact on us and will put us out, I'm not sure what we would do.
