

Consultation Response from WY Archaeology Advisory Services**2025/90117 Bridge (MDL1/24), Jack Lane, Hanging Heaton, Dewsbury****Listed Building Consent for replacement of existing bridge deck with a steel and reinforced concrete deck, replacement of existing parapet and repair work to the wingwalls.****Date Responded:****Responding Officer:****Responding Ref:**

I have studied the applicants heritage statement and support the suggested mitigation measure of a Level 3 historic building survey.

In addition to recording the structure as is the report should also address the historic development, engineering philosophy and materials employed..
