After reviewing the feedback provided and considering your advice, the client has decided to adjust the plans for the rear extension. Instead of the originally proposed 4-meter extension, we will proceed with a revised design for a 3,811mm rear extension. This will feature a mono-pitched roof that aligns with the main roof of the property, as per your recommendation.

Please let me know if any further adjustments are needed or if you require additional information. We are hopeful this revised proposal will meet with approval.Thank you for your guidance
