<p>I have reviewed all the objections submitted so far and fully support the concerns raised by our neighbours. In addition to the disruption this proposal would bring to our residential community, I believe the location is entirely unsuitable for vulnerable children.</p> <p>This street lacks essential amenities for their well-being, including public transport, nearby schools, and recreational facilities. Aside from the small garden attached to the house, there are no appropriate spaces for outdoor activities, nor are there other children of a similar age for social interaction. Such isolation could lead to boredom, which in turn may result in antisocial behavior, ultimately failing to improve the quality of life for these vulnerable children.</p> <p>Furthermore, there is uncertainty about how this change of use may evolve in the future. Originally, the proposal was for a home for babies, but now the scope has shifted. This raises concerns about potential further changes that may not be in the best interest of either the children or the local community.</p> <p>For these reasons, I strongly object to this proposal.</p>
