<p>The proposed care home...at Number 17 is situated in a small residential crescent just yards from adjoining houses...such a development would have a significant and negative impact on immediate neighbours and the crescent as a whole totally changing what is a quiet residential area .. It will create excess traffic and parking problems as the road is narrow resulting in difficult access/parking for other residents.. Its unacceptable that a residential home with all the noise and disruptions that would entail from it be sited there...it is not a mixed use area...</p>
