<p>Far View Crescent is a quite residential area with a high number of elderly residents and young families who have chosen to live there due to it being a quite safe area. Parking on the cul-de-sac is already a concern to many residents and the proposal to convert the property to a children's home could cause further parking issues, along with an increase in traffic noise from delivery vans backwards and forwards providing cleaning/food services etc, possibly during the night. Potential advertising/name boards may look unsightly, along with industrial bins placed beside the property. I, and many of those living on the cul-de-sac also have concerns regarding groups of local youths visiting/congregating around the property when befriending any of the children and any subsequent anti social behaviour such as damage to the house or surrounding houses, increased litter dropping, graffiti and frequent police presence. Please note that i fully support all the objections submitted by neighbours and beg the council to take all of our concerns into consideration.</p>
