| <p>Hi,</p> <p>I am writing with regard to the change of use of 21 Delves Wood Rd, from a Domestic dwelling into a residential childrens home.</p> <p>Delves Wood Rd is a residential road, with families and older retired home owners, I don't believe that this is the proper place for this proposed development.</p> <p>I think that cars coming and going at all hours with changes of shifts for the wardens will be a disruption for near neighbours, plus the comings and goings of unsupervised teenagers would not be in keeping with the surrounding area, which is fully residential.</p> <p>This house was upgraded some time ago and was thought that it would be sold or rented to a family who would fit into the local mix, but this seems as though this eill not be the case.</p> <p>I hope that you will take into account the strong opposition to this application when making your decision.</p> <p>Thank you</p> |     |
