We have lived up this road for almost 40 years and find it extremely concerning that an application for a change of use from a residential property to a children's home has been submitted by a business. We feel that it is totally inappropriate as this is a quiet residential road. We have serious concerns that this could lead to anti-social and intimidating behaviour for existing householders, as well as additional traffic visiting the premises, also should this application be approved it could lead to more similar ones being submitted.
