I was told this had been objected before...so yet a crappy vape shop in the area incoming... ...what is stopping him putting in a stud wall in the future and making it into 2 shops as per requested. This shop has never been used as residential upstairs and had always been a butcher shop in my 50 plus years... Turkish barbers or along them lines incoming. I always thought once not been granted could never be granted. Also far to close to the bus stop for shop and household waste to store.
