

**Consultation Response from KC,
Trees**

2025/90372 Land at, Edgerton Road, Edgerton, Huddersfield, HD3 3AA

Discharge of details reserved by conditions 6, 7, 8, 9 (drainage), 11 (lighting scheme), 14 (Arboricultural Method Statement), 19 (Construction Method Statement), 21 (estate road), 22 (highway works), 23 (boundary treatments) on previous permission 2017/91916 for variation condition 23 (highway works) on previous permission 2014/93014 (APP/Z4718/W/15/3002523) for outline application for residential development comprising of 41 dwellings plus associated works (within a Conservation Area)

Date Responded: 28/02/2025

Responding Officer: JD

Responding Ref: 01/15

The submitted Arboricultural method statement sufficiently sets out processes and measures that will be taken to ensure the correct trees that are down for removal are removed first and then that all tree protection measures are installed to protect any retained trees during construction.

Ground protection in RPA's of retained trees are sufficient and any root pruning is to be undertaken via arboricultural supervision.

I am satisfied that Condition 14 has been met.
