<p>This is absolutely disgraceful. There's absolutely no consideration for families with loved ones buried here, this has caused even more heartbreak for my family. All because some greedy people want more money in their pockets. How would they feel if it was their loved ones that were buried here? I doubt they would agree to it. It makes my blood boil and I will do everything in my power to object to this, they've been rejected twice already and it's about time they stop trying to push this. Have some compassion!!!!</p>
