<p>This wasn't passed a few years ago so how is someone trying to do it again. This is so disrespectful to all the people that are buried there. I for one are disgusted that someone wants to do this. My brother is buried there just at the side of the church. What would happen to all those graves that we attend to weekly. ?? All those families that visit the church yard to pay respects to their love ones. Shame on who wants to do this</p>
